Welcome to the
2022 Concert Season

The SHSO will be adhering to the NSW Government Covid 19 requirement at each of the concert series.

The SHSO has a Covid Safe Plan and a registered NSW Govt QR code.

About us SHSO

The Southern Highlands Symphony Orchestra (SHSO) was formed in 2014 as a result of overwhelming interest in establishing a symphony orchestra in the region.

Our mission is to provide live performances of music at a high standard. More than 60 musicians from the Highlands and surrounding districts make up the SHSO. It has now become a significant feature of the cultural life in the Highlands with four series of concerts presented throughout the year. The SHSO is offering subscriptions for the 2022 season. This will ensure that loyal supporters receive priority first choice seating for all four concerts at a discount price.

Thank you to our sponsors...

The Southern Highlands Symphony Orchestra would like to acknowledge the generous support received from our sponsors.

We very much appreciate their contributions as well as those from individuals who have sponsored musicians' chairs. All donations are gratefully received and those over \$2 are eligible for tax deductions. As we are a not-for-profit organisation, these donations enhance our activities, which include provisions of bursaries for musicians.

The SHSO reserves the right to amend the advertised repertoire and location,
