The Southern Highlands Symphony Orchestra has been a much loved part of our local community since 2014.

The orchestra has now become a significant feature of the educational and cultural life in the Southern Highlands and our goal is to continue to present a high standard of live classical music to the Highlands Community at a reasonable cost.

The SHSO encourages musicians of all ages, through participation and bursaries to develop their musical skill, and provides an educational program for young musicians in the region.

Importantly we commission new works and showcase lesser-known works by Australian composers.

We continually need to strengthen our financial position so that we have certainty of funding of all these aspects of the orchestra for the future.

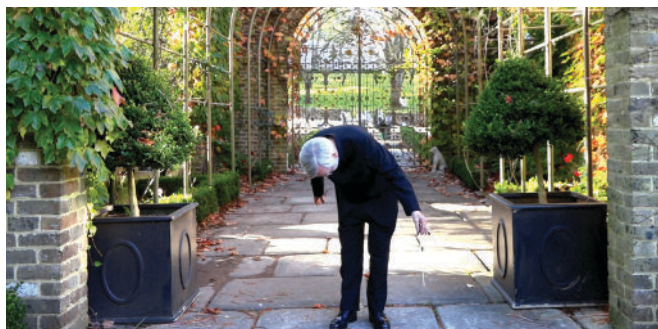

If you would like to support the orchestra in a meaningful way become part of our new Friends of the SHSO programme.

For a modest annual contribution **Friends of SHSO** offers benefits such as:

-  Early advice of subscription offers and concert dates
-  Priority seating
-  Drinks and meet the conductor and soloist/ orchestra members after some performances

-  Annual special Friends' event
-  Name published in Friends list on programmes
-  Complimentary glass of wine/cup of coffee/tea at interval
-  Reciprocal Arts organisation special offers
