Welcome to 2024 Concert Season

Join us for a year of great music to celebrate our 10th anniversary.

About the SHSO

The Southern Highlands Symphony Orchestra (SHSO) was formed in 2014 as a result of overwhelming interest in establishing a symphony orchestra in the region. More than 50 musicians from the Highlands and surrounding districts make up the SHSO. It has now become a significant feature of the cultural life in the Highlands. The SHSO is offering subscriptions for the 2024 season including our GALA 10th Anniversary and Fundraising Concert and will ensure that loyal supporters receive priority first choice seating for all four concerts at a discount price.

The Southern Highlands Symphony Orchestra would like to acknowledge the support received from our sponsors. We very much appreciate their contributions as well as those from individuals who have sponsored musicians' chairs. All donations are gratefully received and those over \$2 are eligible for tax deductions. As we are a not-for-profit organisation, these donations make possible all our activities, which include the provision of bursaries to young musicians and other associated costs needed to run the orchestra.
